**Description:**

- Three governmental schools 15 km outside the capital Vientiane; supported since 2003
- Currently around 1.550 students (860 in the primary schools, 690 in the secondary school) and 60 teachers
- English as a mandatory subject in all schools, but still at a low level

**Duration of the internship:** mid-September – mid-April

**Tasks:** In-service teacher training for Lao English teachers in didactics, methodology and English language skills, development of teaching material, organizing workshops, reports for the blog

**Requirements:** Language training especially for adults, patience and intercultural competences, creativity and team-work, e.g. for the further development of material

**Challenges:** Socialist Least Developed Country, English as a school subject only started 15 years ago, very low level of English throughout the country, lacks in school management

**Accommodation:** Villa near the schools, western standard

**Funding:** Flights, accommodation and food are covered by Angels for Children

**Recent interns:** Alessandro Pola, Julia Bauer, Tobias Mayer, Laura Kringe, Franziska Frister, Isabella Stry, Jana Brecht, Jule Reissig

**Communication:** with Johannes Zeck and Gerlinde Engel from Angels for Children via phone or mail
