Description:

- Governmental primary school with 440 students and 15 teachers; 2 preschool classes, grade 1-5 each with 2 classes
- 2 English teachers (A2-B1 level)
- Lending library in the director's office; equipped with a copy machine, laminator and several handicrafts material

Duration of the internship: 3-6 months

Tasks: In-service teacher training for Lao English teachers in didactics, methodology and English language, development of teaching material, organizing workshops, reports for the project blog

Requirements: Language training especially for adults, patience and intercultural competences, creativity and team-work, e.g. for the further development of material

Challenges: Socialist Least Developed Country, English as a school subject only started 15 years ago, very low level of English throughout the country, lacks in school management (e.g. about holidays and teachers being absent)

Accommodation: Villa near the schools, western standard

Funding: Flights, accommodation and food are covered by Angels for Children

Recent interns: Franziska Frister, Tobias Mayer, Jana Brecht, Kerstin Petter, Pauline Kern (c.f. their final reports at the AAA)

Communication: with Johannes Zeck from Angels for Children via phone or mail
