Description:

- Governmental lower secondary school with 690 students and 30 teachers; grade 1-4 each grade with 4-5 classes

- 4 English teachers (A2-B1 level), several other teachers with certain English skills (A1 level)

- Big schoolyard, several meeting rooms, sports equipment, canteen located next to the school, physics room with beamer available, didactics room with copy machine and office equipment

Duration of the internship: 2-6 months

Tasks: In-service teacher training for Lao English/natural sciences/mathematics teachers in didactics, methodology and English language, development of teaching material, organizing workshops, project documentation, posts for the project blog

Requirements: Language training especially for adults, patience and intercultural competences, creativity and team-work, e.g. for the further development of material

Challenges: Socialist Least Developed Country, English as a school subject only started 15 years ago, very low level of English throughout the country, lacks in school management (e.g. about holidays and teachers being absent)

Accommodation: Villa near the schools, western standard

Funding: Flights, accommodation and food are covered by Angels for Children (when staying less than three months, flights will only be paid 50%)

Recent interns: Julia Bauer, Alessandro Pola (Team I), Jule Reissig (Team II), Anika Broghammer, David Schrep, Thorsten Feldmann, Pauline Kern (Team III), Veronika Golla, Rebecca Dengler, Laura Jakob, Venetia Dariou, Tanja Wintrich (Team IV), Marie Kirsten, Jessica Porscha, Lara Malchow (Team V), Shirin Ud-Din, Fabian Stober, Isabell Kämmer (Team VI) (c.f. their final reports at the AAA)

Communication: with Johannes Zeck from Angels for Children via phone or mail
