Description:

- Governmental lower secondary school with 690 students and 30 teachers; grade 1-4 each grade with 4 classes
- 4 English teachers (A2-B1 level), several Non-English teachers (A1 level)
- Poorly equipped with additional teaching material, several story books in the library
- Physics room with beamer available

Duration of the internship: 3-6 months

Tasks: In-service teacher training for Lao English teachers in didactics, methodology and English language, development of teaching material, organizing workshops, reports for the project blog

Requirements: Language training especially for adults, patience and intercultural competences, creativity and team-work, e.g. for the further development of material

Challenges: Socialist Least Developed Country, English as a school subject only started 15 years ago, very low level of English throughout the country, lacks in school management (e.g. about holidays and teachers being absent)

Accommodation: Villa near the schools, western standard

Funding: Flights, accommodation and food are covered by Angels for Children

Recent interns: Julia Bauer, Alessandro Pola, Jule Reissig, Anika Broghammer, David Schrep, Thorsten Feldmann, Pauline Kern (c.f. their final reports at the AAA)

Communication: with Johannes Zeck from Angels for Children via phone or mail
